

Diamond Social Skills DVD - NEW

Diamond Social Skills DVD is now available online! Sue shows you how to enhance your child's social skills through use of activities, games, and strategies.

Diamond Social Skills DVD

Diamond Social Skills features Susan Diamond, M.A.CCC, a world renowned Speech Pathologist and published author.

With Diamond Social Skills you will learn:

- * the characteristics of turn taking
- * the magic of topic
- * the secrets of language processing
- * the power of speaking and listening
- * the understanding of non-verbal language
- * the desires to fidget
- * the innovation of voice and prosody
- * the gratitude of giving language
- * the celebration of children with different styles
- * the humor of it all

"Thank you for all the help you gave me for these years. With your help I will succeed in school".

- Andy, Student

"Teachers and students succeed because of your professional, caring ways. Thank you for all you do."

- Erika Williford, Teacher

"Thanks for your warmth, tenderness, and good humor and for being on this journey with us. You remain such a blessing in our lives, and we feel confident about the future."

- Wendy Byrnes, Advocate and Parent
