

Therapy

Susan Diamond, M.A., CCC-SLP is a licensed speech and language pathologist with a private practice in the San Francisco Bay Area. She specializes in diagnosis and treatment of adults and children with speech, language, and social delays and disorders.

Sue's therapy sessions in her private practice are innovative and enjoyable. She completes initial evaluations and sets goals and objectives to meet the individuals' language needs. Her sessions are set for an hour and include direct therapy, consultation, and written charted data. Her reputation is excellent and she shares a wide range of interactive referrals with hospitals, neuropsychologists, psychologists, educational therapists, teachers, and parents. She is a specialist in her field of speech pathology.
